Contributions

– Both of us were involved in the literature review and Data Preparation.

– Praveen worked on BART, roBERTa, and deBERTa models all relevant to Task 1.

– Jay worked on BART (base, large-cnn), T5 models all relevant to Task 2.

– For writing the report, each of us contributed about the parts that we worked on.

– Submissions on Kaggle were made by Praveen for Task1 and Jay for Task2. Our best submissions are:

> `Praveen Raavi & Jay Nidumolu` for Task 1 which scored 0.70810, Rank 3
> `Jay Nidumolu & Praveen Raavi` for Task 2 which scored 0.30960, Rank 7
